Lace up your sneakers and stretch for CDF's annual Co-op 5k to support and celebrate CDF's 80th anniversary of serving the cooperative community. With support from the cooperative community through fundraisers like the Co-op 5k, CDF has helped incubate, replicate, and elevate cooperatives across all sectors in the U.S. and internationally for 80 years. Register and help support cooperative development into the next decades!

This is your co-op's chance to out run, out spirit, and out fundraise last year's winners - CoBank: Growing Rural America, Team CFC, Neighboring Co-operators, ACDI/VOCA Globetrotters, and NCB Sole Shakers. Show your support for 80 years of serving the cooperative community!

- Your own team - 25 people and team name on back of shirt

"Reminding us the importance of 'Do Well to Do Good', NCB is excited about participating in the Co-op 5k in Chuck Snyder's honor again this year. NCB will work hard to maintain our title of top fundraiser but we invite others to try to out-fundraise us."

Casey Fannon, NCB and Team Sole Shakers

"Organizing a team for the Co-op 5k is a great way to build community while doing good. CDF makes it easy and fun to grow the co-operative economy, together."

Erbin Crowell, NFCA and Team Neighboring Co-operators
